

MIXED LEAGUE

FIXTURE BOOK

2017-2018

- Matches should be played **on or before** the date listed in the Fixture Book
- The onus is on the match secretary/team captains to liaise regarding the actual fixture date
- The home team is obliged to offer **2** dates for each fixture
- If teams cannot agree on a date, they should contact the League Secretary immediately and the Sub-Committee for dealing with matches will arrange a fixture date
- Match sheets should be submitted to the League Secretary within 3 days **by both teams** by email or post **NOT** by phone
- Dates of Semi-Finals and Finals are **fixed**
- Please note the Subs rule for two club teams playing in the same grade – a panel of subs to cover both teams, but once a sub plays on one team they have to continue playing for that team only
- Please familiarise yourself with the league rules, available on www.southwestleinsterbadminton.com
